THOUGHT FOR THE MONTH

[FAITH PATH: Right of Passage - Give A Vision for Adulthood](#)

A Rite of Passage is a special event signifying a transition from one stage to another. This is an ideal time to affirm and help your child anticipate and prepare to accept God's plan for the future. Challenge your teen to leave behind the world of childhood and invite them into the ranks of emerging adulthood.

Even the most simple rite of passage experience can have a profound impact on your child's life. Ask yourself the included questions to plan the best approach for your son or daughter.

FAMILY FUN ACTIVITIES

Obviously Outstanding Activities to do with your family in October.

- October is Cookie Month. Make some cookies with your kids, package them up, and drop them off at a fire station, police station, or hospital for our community helpers to enjoy.
- Name Your Car Day is October 2nd. Sure, it's quirky! But it's also super fun to come up with a name for your car as a family. My kids still lovingly refer to our big white van as Bertha the Battle Wagon. Create fun memories with your family and name that vehicle!
- October 17th is National Pasta Day. Make some pasta to eat, create artwork with pasta, or even build towers and other structures with pasta. The pasta-bilities are endless!
- Fall Frolic is October 31st. Invite a friend to come and get some candy and prizes with you! It's a great way to share the gospel with those around you!
